

The Purbeck Vineyard

The Purbeck Vineyard, a family owned and run quintessential English Vineyard producing red and white wines produced in the onsite winery from over 3000 vines planted on the sunny southerly Purbeck slopes.

Beautifully located between the village of Corfe Castle and the Jurassic Coastline, the Swanage Heritage Steam Railway chugs along the bottom of the valley below.

With ten luxury guest rooms all en suite and many with balconies over the vineyard, this really is a 21st Century get away from it all destination with digital televisions, Wi-Fi throughout and all the elements of luxury that you've come to expect.

Diners are invited to select from our very local wines or those from further afield, whilst enjoying one of Purbeck's finest views across the vineyard and to the hills beyond.

The Vineyard is open for Public Events including Vineyard Tours with a range of meal options; see our tours and events page. We can tailor our events to accommodate larger groups, corporate events and party celebrations with prior booking Why not contact us now to design your event with a difference.
